Discussing use of additional neighborhood association communication funds to be used to pay for safety vests for the Neighborhood Cleanup Crew along with a large sandwich board sign that will warn drivers of people cleaning on the roadway. Vests will be purchased online and the sign will come from a local city sign vendor. \$287.55 for 15 vests with one color black logo. Sign will be about ~\$300 for two signs. Mike didn't have the exact figure from his email communications.
7. Discussing a Neighborhood Social Network called Nextdoor.com, which we might try for a communication option.
8. All Bend NAs will get new websites, most via Weebly.com. Will cost the city roughly \$500 per year as opposed to ~\$5000 that Alpine charged.
9. Fire Free and Let's Pull Together weed pull are coming up. Some letters will be sent to some residents about the need to pull weeds etc on their property.
10. New businesses are coming in to Brookswood Meadow Plaza. Local Slice Pizza, La Rosa Mexican Restaurant, and a flower, balloon, gift shop called It's The Touch.

11. Crosswalks and speed limit signs for Brookwood Meadow Plaza? We will let new member Matt look into this.
12. Thanks to those neighbors who helped shovel mailboxes and fire hydrants during the winter. Luckily we didn't have to shovel much due to the mild winter in town so far.
13. Email Justin and Cheryl about the neighborhood website and how it is missing already.
