Items discussed:

- SBNA's 10th Anniversary, River Rim Coffeehouse, Dec. 5, 5:30-7:30pm; SBNA will provide finger foods; press release to be handled by Cricket.
- SBNA will not renew with Bend Chamber of Commerce due to most NAs dropping out and low return on membership dues.
- Mike joined Deschutes River Woods (DRW) NA as non-voting member since DRW abuts SBNA.
- DMV has narrowed down locations to 5 spots, including their old location.
- Teri Shamlian's group has logged in 243 volunteer hours keeping Brookwood clean and presentable.
- Overnight shelters have been opened for the homeless
- Mike will talk to Justin Finestone to see if other NA's could chip in towards printing of more NA brochures.
- Water filtration system – The city might have an opportunity to get a waiver for the advanced surface water filtration system that is meant to filter out cryptosporidium. The city of Portland recently got a similar waiver and the city of Bend will pay a lobbyist to explore this option. The treatment building and infrastructure will still be built, but the filtration system could be installed at a later date.
- Board openings and voting during April GM mtg.
