BMPRD-Mike is getting a map of the parks in our neighborhood.

We discussed the amount of emails being sent to members and have decided even with a few members opting out we feel the information is important to the neighborhood and that too many emails are not being sent out.

Mike is trying to get the "Our City" newsletter that the city puts out into the Avion water bill so members that don't receive city water or sewer will receive a copy of it.

Spring General Meeting will be Thursday April 22, 2010 at 7:00 pm. Set up chairs at 6:00 pm and doors open at 6:30 pm. Meeting will be held in the B-wing of the school. Our new signs will direct members to the meeting. We will try to have a pre-general meeting on April 19 and will be skipping the board meeting on April 28th. Speaker we are hoping to have will be the Sheriff Office explaining the bond measure; we don't endorse measures but can have someone supply information. We are hoping that the second speaker will be Jeff Munson with Commute Options. Speakers are to be limited to 30 minutes each. Elections at the spring meeting are as follows, members at large and vice-chair both 2 year terms. Nominations from the floor can only be made if that person is present so they are able to accept or decline the nomination. Information tables will be set up.

Mike purchased a PA system that we can use if needed.

The first meeting for the Fire Free program will at the North Fire Station on March 25, 2010 at 5:30 pm. Mike will be attending. A sandwich board will be out; a possible location in our NA would be Powers\Brookwood. Fire Free will be May 1-9, 2010

Meeting adjourned: 6:55 pm
