Board Members Present: Pres: Mike Lovely, VP: Pam Nettleton
Members at Large: Donald Trask, Kevin Desrosiers
Board Members Absent: Martie King, Matt Kittelson, Treasurer: Joe Barry
Guests: Cricket Kadoch

Meeting called to order: 6:30pm (30 mins late)

Treasurer's Report: (need to check on this number, Treasurer is not here.)

Items discussed:

- 1) October General Membership Meeting – Mailer cards will go out next week. Martie to finalize layout and send to Mike who sends to the print shop.
- 2) Meeting will be in the "C" commons.
- 3) Land use issue. Property owner has already built a stick built "house" in a Romaine Village lot, which is for manufactured homes only. This will be opposed by SBNA.
- 4) Another land use issue: Three lots in Aspen Rim had their permits approved without street access (no driveways), so they are requesting driveway access.
- 5) No Dog Poop Signs for sale. Cost is \$37, SBNA will pay \$15 on the first 20 signs. Must be an SBNA member (membership is free), to take advantage of the savings. Email SBNA or President Mike Lovely for information.
- 6) Bridge Creek Water Project Update Presentation available online. www.bendoregon.gov/bridgecreekpipe Costs have been the biggest complaint, but the city's water piping system is failing and needs to be replaced. We have been enjoying the water system that was paid for half a century ago.
- 7) RAIDS online still does not show address blocks (we know it doesn't show full addresses out of privacy concerns, but it should show the approximate block where a crime was committed.) We feel the info is not useful in the current state.
- 8) Round About Art - Mike attended a meeting and asked for an itemized list of permits and fees and the order in which events need to happen so that we can get our grant writing process going for the Elk Statue at the Power and Brookwood Roundabout.

Meeting ended at 7:21 pm **Next meeting October General Meeting, Oct. 24th.**
